To whom it may concern,

I am writing to recommend the services of Krystyna Stephens. She has done outstanding work with our organization for the past few years concerning the ISCC certification. Krystyna's expertise and attention to detail have been tremendously valuable on the project. She is a great person to work with, bringing expert knowledge, integrity and a very easy to work with approach. The quality of her work is greatly appreciated at our organization.

Sincerely,

Glenn J. Martin
